Alexandria, VA 22313-1450

REQUEST TO MAKE SPECIAL

Pursuant to 37 CFR 1.102 applicants hereby request the USPTO to accelerate the processing of the above identified application for patent. The captioned application for patent relates to superconductive materials, processes and techniques for their manufacture and/or use and is within the scope of the Presidential mandate to accelerate prosecution of applications involving superconductivity.

Respectfully submitted,

By: _____
